#### Terry Kesinger

I was born in St. Louis and moved to CA in 1959 at age 6. My wife, Susan, has been here since 1968. We met in marching band at Long Beach State, and both taught instrumental music in the same school district beginning in 1978. My main instrument is saxophone, but I also play clarinet. Susan's instrument of choice is the French horn. She stayed for 30+ years before retiring. I stayed for 10 years before going to law school and pursuing a legal career before retiring in 2019. Aside from sailing, my main pastime is music. After moving here, I focused on choral music at the Basilica in San Juan Capistrano (weekly) and at Crystal Cathedral in Garden Grove (special occasions.)

We moved to LWV from Yorba Linda in 2014 and have two sons (a librarian and a feature animation artist), one

## **Mini Happy Hours Are Going On!!!**

We are now recruiting volunteers to host events for June and July (and think about August). If you have already hosted an MHH, please consider hosting another. If you have enjoyed attending an MHH event, why not host one of your own? If you have even thought about it, just do it! You will be glad you did. The weather is getting warmer, and the restrictions are getting

looser. Each host sets the parameters for their own event such as number of attendees (6-12), vaccination, food and beverage (BYOB+), venue, etc.

***FYI, Ed & Sandi Marcus have added a MHH for May 18. Check the calendar if you're interested.***

To begin the process of scheduling your MHH event click [here](#) to send us an email saying, "I want to host a Mini Happy Hour," and the LWYC Social Committee will help you through this easy process.

*This would be a great way to fill in your summer evenings. No fuss, no muss.*
