Welcome to the joys of summer, longer days, fair winds, great sailing, and Mini Happy Hours.

Saturday, May 28th, Darrell and Jeff replaced the old main sail on Hiatus with one ordered a couple of months ago. The purchase was made possible by a donation from Steve Larson in memory of his wife and our friend Sue Sorrento-Larson. The first verdict on the sail was that the wait had been worth it.

Darrell started off with a sense of relief that the sail was manufactured to the right specs and installed easily and is easy to raise. That's something the deck crew will appreciate too. Wayne, who sailed Hiatus after, said he liked the sails performance. When you're aboard, marvel at the crisp white full batten, curved roach and loose footed new main sail.

A full detail of the sloop was approved by the executive board and will be occur as soon as possible. It will be done on a date when Hiatus isn't under way and the company that does the work has that time, too.

We are working toward additional day sailing availability. Darrell has moved his day sails to Saturday as of June. We anticipate that another skipper will be doing a couple of Mondays in July.

Wishing all my fellow yacht mates a return to the joys of summer and sailing.

Jan Badgley,

### **Mini Happy Hours Are Going On!!!**

We are now recruiting volunteers to host events for June and July (and think about August). If you have already hosted an MHH, please consider hosting another. If you have enjoyed attending an MHH event, why not host one of your own? If you have even thought about it, just do it! You will be glad you did. The weather is getting warmer, and the restrictions are getting looser. Each host sets the parameters for their own event such as number of attendees (6-12), vaccination, food and beverage (BYOB+), venue, etc.

To begin the process of scheduling your MHH event click [here](#) to send us an email saying, "I want to host a Mini Happy Hour," and the LWYC Social Committee will help you through this easy process.

Get your event info to Glenn before June 17, so he can include it in the calendar before the July sail sign-ups.

*This would be a great way to fill in your summer evenings. No fuss, no muss.*

(Note from Sandi: We've held two so far. Great fun and really no fuss.)

**GOOD FOR A CHUCKLE**

Once upon a time there was a famous sea captain. This captain was very successful at what he did; for years he guided merchant ships all over the world.

Never did stormy seas or pirates get the best of him. He was admired by his crew and fellow captains. However, there was one thing different about this captain. Every morning he went through a strange ritual. He would lock himself in his captain's quarters and open a small safe. In the safe was an envelope with a piece of paper inside. He would stare at the paper for a minute, and then lock it back up. After, he would go about his daily duties.

For years this went on, and his crew became very curious. Was it a treasure map? Was it a letter from a long-lost love? Everyone speculated about the contents of the strange envelope.

One day the captain died at sea. After laying the captain's body to rest, the first mate led the entire crew into the captain's quarters. He opened the safe, got the envelope, opened it and... The first mate turned pale and showed the paper to the others. Four words were on the paper, two on two lines:

*Port Left*

*Starboard Right*
