I grew up in NYC and after college I moved to Hawaii to teach scuba diving and managed a dive shop. From there I went to Alaska to work in a remote town during the salmon fishing season, then made my way to SoCal in the mid 1980's.

My husband Bob and I will be celebrating our 35th anniversary in June; we have 2 grown children and 2 grandchildren.

My daughter and son-in-law live in north San Diego County and have a baby girl; My son and daughter-in-law live in Kobe, Japan, and have a 2-year-old girl!

I retired a few years ago as the Director of Fitness Product Development but have had a varied career leading me to that position. I worked as both a systems analyst for ADP and a scuba instructor, then reinvented myself as a fitness coach in my early 50's and worked for UFC Gym. In my retirement I finally have the time to sail frequently, and currently serve as Vice Commodore for the Women's Sailing Association of Orange County. I teach sailing at the Women's Sailing Convention and in our own Sailing Academy (but you knew that!).

Clothing "Issues"

Please email Sandi Marcus with item name, size and color. I can post here next month. Perhaps we can swap, sell or complain to Etsy.

I am studying Japanese and love to travel. I have lived in the middle east for 5 years and have traveled to over 40 countries in five of the seven continents; I still hope to get to South America and Antarctica!

Mini Happy Hours Are Going On!!!

We are now recruiting volunteers to host events for July and August. If you have already hosted an MHH, please consider hosting another. If you have enjoyed attending an MHH event, why not host one of your own? If you have even thought about it, just do it! You will be glad you did. The weather is getting warmer, and the restrictions are getting looser. Each host sets the parameters for their own event such as number of attendees (6-12), vaccination, food and beverage (BYOB+), venue, etc.

To begin the process of scheduling your MHH event click [here](#) to send us an email saying, "I want to host a Mini Happy Hour," and the LWYC Social Committee will help you through this easy process.

Get your event info to Glenn ASAP, so he can include it in the calendar before the August sail sign-ups.

(Keep in mind that they don't even have to be in your home. There are many beautiful areas in LWV that are perfect for a small group. Some even have tables.)

This would be a great way to fill in your summer evenings. No fuss, no muss.

SEAGOING VESSEL

by

Norma Sadler

The sea had me in its grasp
When the raft overturned.

Sand in my suit weighed me down.
I bobbed toward the rolling sailboat.

The ladder swung down to greet me.
Holding to slippery metal,
I looked down and found
The middle rung with my feet.

Transparent darkness below.
I pulled out of the water,

But like a misplaced Poseidon from the deep,
My feet fell past the lowest rung.

I hung suspended there..
Waves brushed against my back and hands.

Quicksilvered to the ladder,.
I wanted to let go, to see below
To the blue that pulled
My bathing suit, tugged sand away.

My toes curled on the ladder,
Balancing. I pull hard,
Bursting up and out,
Cascading my own waves,

Making a hole in the sea.
