Our IT needs are covered by David Raber and Joel Sigman. Sandi Marcus is editor of the Main Sheet. Kayli Offerle became recording secretary with Claudia Myers as second. Co-Chairing the Social Committee are Anita Loos-Hannifan with Terry Kesinger. In 2023, Anita will co-chair with Kayli Offerle. Mary Longtin, our Treasurer, has Melinda Goddard, CPA, and Joan Hively on her committee.

Tammy Rones has continued to organize and teach beginning & intermediate Sailing Academy. She will become Commodore in 2023 of the *Women's Sailing Association* and needs a replacement for the year. Strong sailing knowledge and teaching skills are needed for that. Who's up for it?

Back in August we were able to say that HIATUS would be out day sailing six days a week. I want to reiterate that this happens because of the generosity of our Skippers. We had two new Skippers join the ranks this year, Jack Dunnigan and Don Balser. These Skippers and first mates are the lifeblood of our organization. Without them there is no club.

Staff Commodore Darrell Vorderstrasse has been our BOD liaison for the Dana Point renovation which affects our future berth placement in the marina. He is also researching an engine replacement for Hiatus.

The board initiated a 5-year Strategic Planning Committee led by Mary Longtin with Pris Given, Lloyd Chase, Glenn Brown and Jack Dunnigan as committee. After eight months, their final approved analysis can be read on LWYC.US. Click "About Us." Below governance there are ten pages to assist the Board of Directors for the next 5 years.

The Social Committee organized and ran the following events this year: Whale Watch, Wine Tasting, Duffy sunset cruise, Del Mar Races, Los Alamitos day sail & dinner, September picnic and the upcoming Starry Nights Holiday dinner with dancing. Kudos for all the enthusiastic, clever, and happy things you do.

Volunteering can also be filling a smaller need such a sending a birthday greeting or condolence

What a Great Meeting!!

Can you beat these fab people? Next year there will be a prize! Start planning NOW!

Please don't hate me...

to fellow members on behalf of the club (contact Social Committee). We need a person to do weekly Globe announcements, so, if you are a writer, please call me. As we continue to grow, we need your help. If your skill set is partying, host a mini happy hour. You'll make new friends in the club because the setting is intimate - usually no more than 10 people, including the host. **People who volunteer usually say they get more than they give.**

As commodore, I cannot begin to enumerate how cohesive, supportive and significant this BOD officers have been to the success of LWYC this year. They are just great, dedicated people who love this club and sailing. I am both thankful and lucky to have been with them and know them. Wishing them all the best in 2023.

Thank you for joining the club and continuing to see the value of life on the water under sail and with friends.

Jan Badgely, Commodore

The Picnic was a HUGE success!!

Thanks to all who helped plan and work the various areas that day.

Why are boats not weirded out by another boat and their activities?

Because they respect whatever floats each other's boats.

What do you call a sail with only two corners?

I haven't got a clew!

Why do scuba divers fall backwards off the boat?

Because if they fell forward, they'd still be on the boat.

What did the water say to the boat?

Nothing. It just waved.

It will be a GREAT night. Registration is open on Wild Apricot. Cost is \$40 for members and guests. There will be appetizers and champagne upon arrival. Here's the buffet menu:

You Don't Want to Miss Out!!!

The Boat Parade is ON! Thanks to Jack Dunnigan for offering to be the skipper and Ed Marcus for coordinating. We have a good-size group planning the design and costumes. Plan on coming down to Dana Point to cheer us on Dec. 9 and/or 10.

2023 details will be discussed later in the year. There are some great ideas being tossed around. Fire Pit Beach Party? Wine tasting night with karaoke? A Flotilla Sail in the British Virgin Islands? Let us know if you have ideas, too.

Mini Happy Hours Need Hosts!!!

There isn't much on the calendar. If you have already hosted an MHH, please consider hosting another. If you have enjoyed attending an MHH event, why not host one of your own? If you have even thought about it, just do it! You will be glad you did. Each host sets the parameters for their own event such as

number of attendees (6-12), vaccination, food and beverage (BYOB+), venue, etc.

To begin the process of scheduling your MHH event click [here](#) to send us an email saying, "I want to host a Mini Happy Hour," and the LWYC Social Committee will help you through this easy process.

If we can get a few more for October and November, Glenn will send a special blast to have members check the calendar for registration.

Keep in mind that they don't even have to be in your home. There are many beautiful areas in LWV that are perfect for a small group. Some even have tables.

This would be a great way to fill in your autumn evenings. No fuss, no muss.

We would appreciate any feedback you could give us not only about this newsletter, but on our Club in general. If you have any comments and/or suggestions, please email Sandi Marcus at sandim25@hotmail.com.
